Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision:

1. Spread and promotion of higher education (ICT included) at district level relating to the state and national development programmes.
2. To help the youth approaching life scientifically, behaving morally and discharging their duties responsibly towards the making of the state and Nation.
3. To shape a better future for mankind by producing integrity driven individuals and socially responsibility person who benefit humanity/ society in the long run.

Mission:

1. To promote education in Banaskantha District and to establish colleges, Schools, kindergarten, hostels, libraries, military training schools.
2. To create more Career option by providing them the best education and moral guidance.
3. The institutes is committed to impart holistic knowledge in basic, pure and applied sciences with interdisciplinary approach to students from all sections of society.

Goals and Objectives:

1. To inculcate a high level of self discipline and dignity among the students.
2. To impart academic integrity among faculty and students.
3. To introduce science and scientific development as an integrated aspect of the culture and tradition of our mother land.

6.2 Does the Institution has a management Information System

College has its own website: www.rmsclpc.org

The complete information, rules and regulation, choice of subject and other college related information are provided in the prospectus.

For any urgency we do have group messaging system on mobile: To inform students/ staff for any activity/program.

For any notice and information we use mike system from office which is connected with speaker of each lecture theatre.

For the smooth and proper transmission of information we do use display board where notices and student's/staff articles, news cuttings are displayed.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

Though the B.Sc., M.Sc. & B.Com., M.Com. Curriculum (Syllabus) is given by the HNG University, Patan but the assignment/workshop/seminar/ model making/visits/ project work, collection of biological material at the time of field visit etc. are the activities given to the students for their development.

For the Students of Sem-VI it was mandatory to make poster/oral and take part in the poster presentation competition, on that basis they were given internal marks in two papers.

6.3.2 Teaching and Learning

- Along with the chalk and talk our Professors do use LCD and deliver lectures through ppt.

The HNG University allots PhD student in each department and PhD students can do their work in their respective department and with prier permission he or she can use equipment of any other department also.
- The HNG University, Patan has awarded PhD degree to one students in the subject of Botany, worked under the supervision of Prin. Dr. YB Dabgar.
- The HNG University, Patan has awarded PhD degree to two students in the subject of Physics worked under the supervision of Dr. RJ Pathak, Head Department of Physics.

6.3.5 Library, ICT and physical infrastructure / instrumentation

- We have SOUL college version for library automation. The software is prepared by INFLIBNET under the guidance of UGC. We have completed computerization of the books. We have bar coded computerized system for issuing books. In addition OPAC. Under the INFLIBNET scheme N-List project our college library has E connectivity having 6000+E Journals and 97000+E-Books. This data base can be seen or accessed anywhere in the libraries of Indian Universities and colleges.
- The Vanchan-Vichar Vartul (Reading and thinking circle) is our one of the best activities.
- Under the loan library scheme we provide books to the students every year, during this year we have not purchased any book under this scheme this year total 465 students were given the sets of books.

6.3.6 Human Resource Management

N.S.S. and N.C.C. units of our college work for society as well as different events in the college. The volunteers and cadets takes part in different camps in villages gives good messages to the societies. Volunteers visits old age home and give them some fruits and shares few hours with them. Women cell is also working for the women empowering activities.

6.3.7 Faculty and Staff recruitment

The faculty and staff are recruited as per the rules of UGC, Govt. of Gujarat and HNG University, Patan. Since long without NOC from government of Gujarat we could not recruit anybody. But in the interest of students every year our college management recruits faculty and staff as per the workload this year in science total 10, in commerce 11 assistant professor, 04 technical staff, 05 office staff and 12 peons were recruited and the salary was paid by the B.K.D.K. Management, Palanpur.

6.3.8 Industry Interaction / Collaboration

- We have good relation with nearby industries, oil mills and biggest Milk Dairy (Banas Dairy), Solar Power Palnt, so our student and staff visits and get information. For research activities we have a good collaboration with Physics Department, SP University, VV Nagar and MS Univeristy, Baroda where PhD students go for experimental work and sample analysis.
- Moreover we have collaboration with Science College, Modasa. On the National Science Day celebration we have jointly organised poster presentation for our students.

6.3.9 Admission of Students

The admission of B.Sc./ MSc./B.Com./M.Com. students are given on the basis of Merits and prescribed rules of the Govt. of Gujarat and H.N.G. University, Patan are followed.

6.11 Activities and support from the Alumni Association

- Meeting in each Semester.
- This year one of our alumni from Physics Department Mr. Abhijit Rathod Supported for the prize distribution to the winners of Poster, Oral, Model Making competition and launched a trophy in the memories of his father Late Shri Vinay Singh Rathod for the best presentation in oral competition.
- Alumni Association Members do come and provides any type of help to student and staff, like at the time of swine flu the medicines, special guidance, mask etc. are provided. They also helps for driving licences, Bus passes etc.
- Participate in college programmes & they also became a host of some events.

6.12 Activities and support from the Parent – Teacher Association

- We established parents teachers association this year and discussed the major issues faced by the students.
- The retired principals, professors do come for lectures on our request as and when needed. They donate subject related books, magazines and cupboards for the departmental library.

6.13 Development programmes for support staff

All the support staff members are given special training for computer learning by the management. For this BCA college staff helped for the training.

If the support staff wants to go for any higher examination he or she is given full freedom for the participation.

6.14 Initiatives taken by the institution to make the campus eco-friendly

- Rain water harvesting Tanks are constructed in the campus ground. The cricket ground at the centre of campus is maintained green through continuous sprinkling of water on the grass, the greenery of the ground gives good attraction to the people for the morning walk also.
- Tree Plantation in campus.
- Gardener, staff and student take care of Botanical garden.
- Water pots for drinking water for birds are arranged on the tree branches.
- Nature club activities.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- Due to the shifting of administrative staff and Principal office in new administrative block (As per the NAAC Peer Team recommendation in 2005) the admission process and collection of fees from the students became easy and comfortable. The stationary store with Xerox in the admin block is more supportive for the students as well as staff.
- Campus became an eco-friendly; the waste Plastic collection at regular interval from Campus is done.
- Yearly planning of different activities, programme and form submission of driving licence for college students is arranged.
- With the help of Alumni students we can give prize and trophy to the winners in different competitions. Due to the moral and monetary support by the alumni the enthusiasm among the students enhanced.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- As per our plan the days like teacher's day, National Science Day, Ozone Day, AIDS Awareness Day, Global Iodine Deficiency Disorder (IDD) Prevention Day are celebrated through lectures, presentations and programs.
- The minor research project reports were submitted by staff members.
- National Science day was celebrated by arranging Dr. Vikram Sarbhai Space Exhibition with the support of ISRO, Ahmedabad and lectures by Dr. V.K. Tripathi, IIT, New Delhi.
-

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

- On 30th Nov., 2015, as a part of national integration one day seminar on “The autobiography of prophet Hazarat Mohmmad Paigamber Saheb and his message for peace” for non- Muslim students was organised by MA Education and Welfare Trust.
- National Science Day celebration Dr. Vikram Sarabhai Space Exhibition organised with the support of ISRO, Ahmedabad, about seven thousand students and citizens visited. Poster and Oral competition on National Science Day Celebration. Lectures on “**Thermonuclear Fusion: An alternative source of energy**” & “**Science and Freedom**” by Prof. VK Tripathi (Retd.), IIT, New Delhi.
- The volunteers of NSS unit served the food packets (Sukhadi) to the people of flood affected areas of Vav, Tharad, Deoder, Dhaner, Bhabhar Talukas.

7.4 Contribution to environmental awareness / protection

- The Nature Club is working in the college with aims at creating awareness among young learners about the disastrous results of the universal deforestation, population explosion and the consequent pollution and ecological imbalance and to make the young learners aware of the existing biodiversity.
- As a part of environment protection we have rain water harvesting wells in the campus.

7.5 Whether environmental audit was conducted? Yes No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strength:

The College is situated in the Arravali mountain ranges and major part of the population inhabit in village huts or improvised bamboo shades under this circumstances the nature remains a part of their life. The students are hardworking and obedient. They are ready to take part in any social activity.

Weakness:

Due to the shortage of full time permanent teaching and administrative staff we are unable to conduct some good programme regularly. Ours the educationally backward district that is already notified by the UGC, we have students who are having very low merit. There for to get good results we have a big problem.

Opportunities:

The students are brave, hard worker and obedient some times that is best opportunity for us to use this positivity during any calamity or disaster management program.

Threat:

Sometimes educational backwardness as well as the English language creates big challenge for any academic institute. Students are of some fixed mind setup, to make them free from some negativity is a big task.

8. Plans of institution for next year

1. The tree plantation on the Campus.
2. Field Survey for avian diversity.
3. Science awareness programme with community science centre Palanpur.
4. New PG centres are to be initiated.
5. More and more participation of students and teachers in research activities and conference/ seminar to be organised.
6. Different academic tours for students are to be arranged.
