### Introduction

The purpose of this feedback report is to evaluate and summarize the perceptions of college students regarding various aspects of their academic and campus experience. By collecting student feedback, the college aims to identify strengths and areas for improvement, ensuring a higher quality of education and overall student satisfaction.

#### Purpose of the Feedback:

- To assess students' experiences across various dimensions such as teaching quality, infrastructure, learning resources, extracurricular activities, and support services.
- To highlight areas where the college excels and pinpoint areas that may require enhancement.
- To provide actionable insights for improving the overall student experience, including academic and non-academic aspects.

#### (1) Process of Collecting Feedback:

- Feedback are collected from all students of Commerce and Science streams from July 2023 to April 2024.
- A structured feedback form was provided through online platform and included both quantitative and qualitative questions. Students were asked to rate different aspects of their experience and provide comments or suggestions.
- A total number of 360 responses were received, with a balanced representation from all courses and streams.
- The feedback focuses on the following key areas:
  - Teaching quality
  - Availability and effectiveness of learning resources
  - College infrastructure
  - Student support services
  - Extracurricular activities

**(6) Student Suggestions: -**

We have received following suggestions from college students:

1. Visiting Faculty is to be recruited timely before the academic session starts for the smooth functioning of the college teaching.
2. Very often college teaching staff and students fail to receive proper response from the administrative staff as they are overburdened or preoccupied due to severe shortage of administrative and non-teaching staff.

### 3. Conclusion

#### Teachers' Feedback

The above feedback statistics reflect a largely positive outlook on the overall learning environment, feedback from college faculty, although some areas indicated the need for improvement. Concerns have been raised about the huge shortage of non-teaching staff and Administrative staff. Hence, systematic documentation of college activities lingers. This affects in the fulfilment of the expectations of the principal and the college management. The college reputation is in stake. It seems very essential to take measures to reduce these undesired impediments to preserve the ecosystem of the college.

#### Feedback from Alumni and Parents

There is always a great response from alumni and parents. Required feedback from alumni and parents in 2023-24 was not received due to unforeseeable reasons. And so, it is not possible to evaluate, so its conclusions are not put. Next year special attention will be given to getting feedback from alumni and parents.
