Stakeholders' Feedback Academic Year: 2021-22

Action Taken Report

**The Feedback Committee submits the report for the academic year 2021-22 as under:**

Present students and their parents, alumni and visitors are satisfied with the teachers' teaching methodologies, principal, administrative staff, academic environment and infrastructure. However, the committee has realized to step up positive repo between students and administrative staffs as a number of responses have suggested.

In the feedback of the year 2021-22, two requests were received from the parents.

1. Reduction of fees in self-financed sections and
2. Immediate recruitment of faculties.

In the above matter, the college has put the requisition details as per the rules of the establishment of institution and the government. A proposal will be made whether the fee can be reduced in the self-financed section of B. Com and B.Sc.
