2.6.1. Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Response:

The Curriculum of the programmes is designed by the university. The new syllabus for BSc & BCom semester-I&II is implemented from June-2020 and for Semester III, IV, V&VI, it will be implemented in the next coming academic years gradually. Following this MSc & MCom syllabus will also be designed and implemented in next academic years. The new syllabus is displayed on the university website. The program and course outcomes of the programmes offered by the college is also stated and displayed on the college website www.rmsclpc.org. The college has maintained a dynamic website which is comprehensive and is regularly updated. Necessary information is given to the students in the class room also. The college prospectus and admission form also give a list of programs and courses including programme codes. The students are informed about these outcomes in the induction meeting (Pravesho-utsav) with staff and principal. All the departments who conduct regular programmes along with specific additional courses (Communicative English, Tally-9) are asked to define their programme outcomes by the IQAC. Faculty members clearly convey these outcomes to the students.
