6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

-----N.A.-----

6.11 Activities and support from the Alumni Association

- This year with support from Mr. Tarunbhai, President Alumni Association and one of our alumni from Physics Department Mr. Abhijit Rathod we could distribute prizes to the winners of Poster, Oral, Model Making competition and launched a trophy in the memories of Late Shri Vinay Singh Rathod for the best presentation in oral competition.
- Meeting in each Semester.
- Alumni Association Members do come and provides any type of help to student and staff, like at the time of swine flu the medicines, special guidance, mask etc. are provided. They also helps for driving licenses, Bus passes etc.
- Participate in college programmes & they also became a host of some events.

6.12 Activities and support from the Parent – Teacher Association

- We established parents teachers association this year and discussed the major issues faced by the students.
- The retired principals, professors do come for lectures on our request as and when needed. They donate subject related books, magazines and cupboards for the departmental library.

6.13 Development programmes for support staff

All the support staff members are given special training for computer learning by the management. For this BCA college staff helped for the training.

If the support staff wants to go for any higher examination he or she is given full freedom for the participation.

6.14 Initiatives taken by the institution to make the campus eco-friendly

- Rain water harvesting Tanks are constructed in the campus ground. The cricket ground at the centre of campus is maintained green through continuous sprinkling of water on the grass, the greenery of the ground gives good attraction to the people for the morning walk also.
- Tree Plantation in campus.
- Gardener, staff and student take care of Botanical garden.
- Water pots for drinking water for birds are arranged on the tree branches.
- Nature club activities.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- With the help of Bank employs we have given guidance to the faculty & students for cashless transections.
- Due to the shifting of administrative staff and Principal office in new administrative block (As per the NAAC Peer Team recommendation in 2005) the admission process and collection of fees from the students became easy and comfortable. The stationary store with Xerox in the admin block is more supportive for the students as well as staff.
- Campus became an eco-friendly; the waste Plastic collection at regular interval from Campus is done.
- Yearly planning of different activities, programme and form submission of driving license for college students is arranged.
- With the help of Alumni students we can give prize and trophy to the winners in different competitions. Due to the moral and monetary support by the alumni the enthusiasm among the students enhanced.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- As per our plan the days like teacher's day, National Science Day, Ozone Day, AIDS Awareness Day, Global Iodine Deficiency Disorder (IDD) Prevention Day are celebrated through lectures, presentations and programs.
- National workshop on "Instrumentation, Application and maintenance of Instruments" was organized.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

- The volunteers of NSS unit served the food packets (Sukhadi) to the people of flood affected areas of Palanpur, Dhanera, Vav, Tharad, Deoder, Bhabhar Talukas.
- National Science Day celebration by organizing National workshop and state level competition of poster and oral presentation.
- Marathon with the theme of “Run for Cashless”

7.4 Contribution to environmental awareness / protection

- The Nature Club is working in the college with aims at creating awareness among young learners about the disastrous results of the universal deforestation, population explosion and the consequent pollution and ecological imbalance and to make the young learners aware of the existing biodiversity.
- As a part of environment protection we have rain water harvesting wells in the campus.

7.5 Whether environmental audit was conducted? Yes No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strength:

The College is situated in the Arravali mountain ranges and major part of the population inhabit in village huts or improvised bamboo shades under this circumstances the nature remains a part of their life. The students are hardworking and obedient. They are ready to take part in any social activity.

Weakness:

Due to the shortage of full time permanent teaching and administrative staff we are unable to conduct some good programme regularly. Ours is the educationally backward district that is already notified by the UGC, we have students who are having very low merit. There for to get good results we have a big problem.

Opportunities:

The students are brave, hard worker and obedient some times that is best opportunity for us to use this positivity during any calamity or disaster management program.

Threat:

Sometimes educational backwardness as well as the English language creates big challenge for any academic institute. Students are of some fixed mind setup, to make them free from some negativity is a big task.

8. Plans of institution for next year:

1. We will keep continue our best practices which are already being done by us and next year more and more new things in the interest of all the stakeholders of the college are needed.
2. Disaster management programs for students like flood, earth quack, natural calamities etc.
3. Science awareness programs.
4. To organize conference/ seminar/workshops etc.
5. More and more invitations to industries and companies for the placement to the UG and PG students.
6. To enhance activities like cashless transactions, cleanliness, health awareness etc.
7. New PG centres to be initiated.
8. Academic tours and visits to the industries.
9. Every year we do prepare plan of institute collectively as well as departmentally
