Goals and Objectives:

- To introduce scientific development for the culture of our mother land.
- To inculcate a high level of self discipline and dignity among the students.
- To impart academic integrity among faculty and students.

6.2 Does the Institution has a management Information System

College has its own website: www.rrmsclpc.org

Now we created some small whatsapp groups in smaller classes, so that we can sometimes can convey information

The complete information, rules and regulation and other college related information are provided in the given in the prospectus.

For any urgency we do have group messaging system on mobile: To inform students/ staff for any activity/program.

For any notice and information we use mike system from office which is connected with speaker of each lecture theatre.

For the smooth and proper transmission of information we do use display board where notices and student's/staff articles, news cuttings are displayed.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

As a part of syllabus of Nano materials our students participates in one day workshop at CHARUSAT, Changa.

Assignment, workshop, seminar field visit are the activities. Though the B.Sc., M.Sc. & B.Com., M.Com. Curriculum (Syllabus) is given by the HNG University, Patan but the assignment/workshop/seminar/ model making/visits/ project work, collection of biological material at the time of field visit etc. are the activities given to the students for their development. For the Students of Sem-VI it was mandatory to make poster/oral and take part in the poster presentation competition, on that basis they were given internal marks in two papers.

6.3.2 Teaching and Learning

- The sem-I students have been provided NAMO-e-TAB, this can be used for the up gradation of knowledge through online surfing.

7.5 Whether environmental audit was conducted?	Yes	 No	\checkmark

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strength:

The College is situated in the Arravali mountain ranges and major part of the population inhibit in village huts or improvised bamboo shades under this circumstances the nature remains a part of their life. The students are hardworking and obedient. They are ready to take part in any social activity.

Weakness:

Due to the shortage of full time permanent teaching and administrative staff we are unable to conduct some good programme regularly. Ours the educationally backward district that is already notified by the UGC. We have students who are having very low merit. There for to get good results we have a big problem.

Opportunities:

The students are brave, hard worker and obedient some times that is best opportunities for us to use this positivity during any calamity or disaster management program.

Threat:

Sometimes educational backwardness creates big challenge for any academic institute. Students are of some fixed mind set, to make them free from some negativity is a big task. Due to the lack of industries the employability is very less for our college.

8 Plans of Institutions for next year

- 1. Science awareness programs with the community science centre Palanpur.
- 2. New UG program in Microbiology to be initiated.
