

DEPARTMENT OF GEOLOGY

R.R.MEHTA COLLEGE OF SCIENCE AND C.L.PARIKH COLLEGE OF COMMERCE, PALANPUR

Managed by BKDK Mandal

Accredited by NAAC With 'B' Grade (CGPA 2.30)

➤ What is Geology?

- The study of Geology mainly concerns itself with the study of the earth's origin, structure, composition & history (including the development of life), and the nature of the processes. So, it is also known as earth science.
- This is a fascinating subject which feels the pulse of the earth.
- It deals with the outer solid shell of the earth composed of rocks, which is known as lithosphere.

➤ Scope in Geology

- Planning in Geological map
- Designing in Mechanical property of Rock
- Ground Water research
- Construction engineering
- Land pollution.
- Nuclear explosion.
- Oceanography.
- Space exploration.
- Environmental engineering

➤ Departmental Activities

- Expert lectures
- Field Work
- Science fair
- Mine visit

➤ Facilities

- Lab facilities
 - Rock specimen
 - Mineral specimen
 - Crystal specimen
 - Fossil specimen
 - Mineralogical microscope and more...
- Some of the major companies who recruit our graduates

➤ Consulting Assistant Professor

- Rinku A patel
- Contact no: 7698496626
